SPECIAL LIBRARIES . . .

find 7053 in the 1962

American Library Directory

Edited by Eleanor F. Steiner-Prag

Here, in this "master list" of some 15,000 Canadian and U.S. libraries, you'll find the expanded list of special libraries—technical, medical, government, business, law—that represent a fast-growing segment of the library world.

You'll learn such facts as book budgets, key personnel, number of volumes, special collections, etc. for these special libraries (and for all the libraries listed). You'll find the alphabetical index to the geographical listing has been enlarged to include the technical, business, armed forces, and other special libraries, too.
